

Stage 1

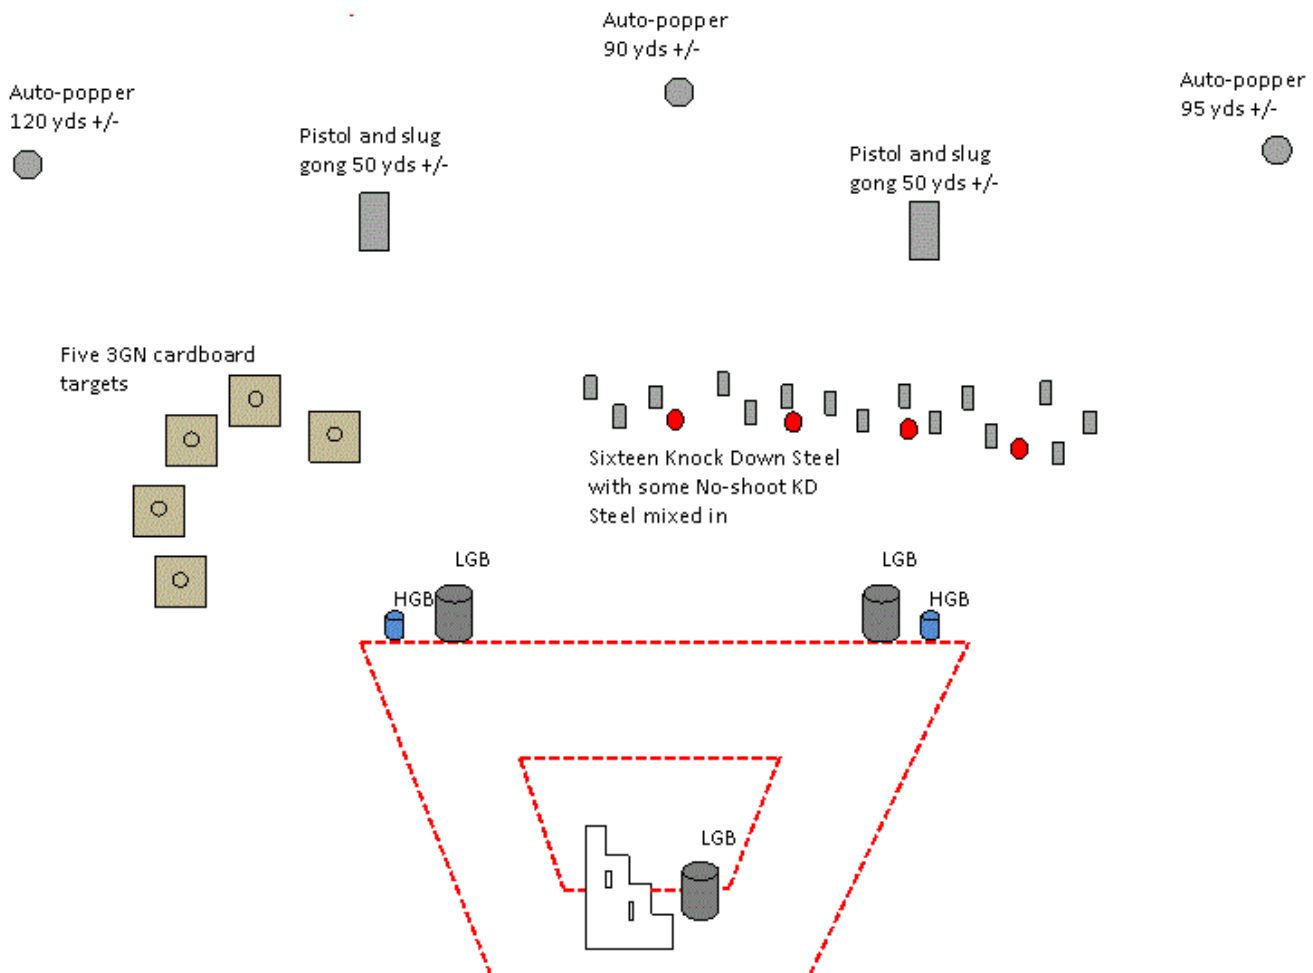

2016 FN 3-Gun Championship

Targets:

- 3 Auto-poppers that may only be engaged with rifle
- 2 Gongs that must be engaged with both pistol and slugs
- 5 Cardboard 3GN that may be engaged with pistol, rifle or slugs
- 16 Knock-down steel that may be engaged with pistol or shot

Start:

Standing with muzzle of loaded rifle touching mark on barricade, with safety on. Shotgun slung, with bolt forward on an empty chamber and completely unloaded. Pistol holstered, with slide forward on an empty chamber and completely unloaded.

Procedure:

Engage 3 auto poppers once each using any step, port, or side of barricade, then re-engage the same 3 auto-poppers using a different step, port, or side of barricade, then re-engage the same 3 auto-poppers a third time using another different step, port, or side of barricade. Engage the remaining arrays in any order: Cardboard 3GN with either pistol, rifle, or slugs. Knock-down steel with either shot or pistol. Gongs must be engaged once each with pistol and once each with slugs. Each gun must be grounded safely in supplied appropriate bunker before loading the next.
