

* PRO 1 "HEY NORM !!!" *

RULES: ProAm IMG Rules

a1

COURSE DESIGNER:

START POSITION: Seated on barstool with loaded shotgun at low ready

STAGE PROCEDURE

On signal engage aerial clays while seated on barstool only and engage plates as visible respecting fault lines.

The first aerial clay will launch approximately 1 second after the beep. The remaining four clays will launch at ~ 2 second intervals from alternating traps for a total of 5 clays. Misses on aerial clays are 5 second each and FTE penalties do not apply to the aerial clays only.
